I know all the accused persons. The deceased Abdul Haque was my father. On 14/8/08 at about 11 a.m. the alleged incident occurred and at the material point of time I was at my school and while I returned to my house, I came to know that my father had been murdered by the accused persons, namely; Sekandar Ali, Ariful Ali and Kulsom Begum. On the day of incident at about 11 a.m my father went to see the fishery belonging to my father-in-law which is situated nearby the house of the accused persons and there is a canal of running water by the side of fishery of my father-in-law. The said canal was blocked by the accused persons before the incident and as a result of blocking of the canal the water overflowed submerging the nearby areas including the school, paddy field, temple etc. When my father came to know that the accused persons deliberately blocked the canal and as such my father asked the accused persons to clear the obstruction and at this a quarrel took place. As a

I am a teacher. My School starts at 9-15 a.m. I go to school before 9-15 a.m. I was at my school on the day of the occurrence. I went to the place of the occurrence around 11 a.m. When I came to the P.O., father was lying dead in accused person's courtyard. At that time police and other people were present there. There was no wall around accused person's homestead. There is no road by the front of accused person's house and they walk through another man's courtyard to their house. Rubia and Kalam are husband and wife. The house adjacent to the east of their house is that of accused person's. The homestead of the accused is now occupied by Kalam and others. One person, Rafikul Alam by name, wrote the Ext 1 i.e. the ejahar. I did not witness the incident on my own. At that time, I was at the school. I have not mentioned it in the ejahar from whom I learnt about the incident. I have not mentioned about the 'gamosa' (a kind of Assamese towel) in the ejahar. I have seen the seized 'gamosa' in the court today, but, I have not seen marks of blood in the 'gamosa'. At the time of the incident father was clad in a lungi. His lungi was stained with blood. The ground at the P.O. was soiled with blood. When police seized the rope, it was in father's neck and the 'gamosa' was lying on the ground. I cannot say whether police seized father's lungi or not. During investigation, my statement was not recorded in the court in connection with the case. Police interrogated me at the police station on the day of the occurrence. It is not a

fact that I did not tell police that around 11 a.m. on the day of the occurrence, my father had gone to see my father-in-law's fishery near accused person's house; that the incident had taken place over blocking the stream of water to the fishery; that a quarrel had taken place over my father's unblocking the stream of water. It is not a fact that I did not tell police that Kalam and Rubia had witnessed the incident and that the accused had killed father. It is not a fact that the accused had not killed my father. It is not a fact that police did not seize 'gamosa' and rope belonging to my father in my presence. It is not a fact that I do not know anything regarding father's death. It is not a fact that in collusion with Kalam, I, conspiratorially, have occupied landed property of the accused by assaulting him and that I have adduced false evidence.

Cross-examination:-

I have no land dispute with the accused persons nor did they file any case against me. There are some small bamboo fencing in some places in the house of accused persons, but there was no bamboo fencing about the height of 5/6 feet and there was also no bamboo fencing in front of the house of accused persons towards the road. I saw the incident from my house. I only saw the accused Sekandar giving dao blows on the neck of Abdul Haque. Apart from this, I saw no other incident. It is not a fact that I did not state before the police that the accused Sekandar gave dao blows on the neck of Abdul Haque and accused Anifal pressed the chest of deceased and that the wife Kulsom pressed the leg of deceased. The incident occurred in the courtyard of accused persons. I saw the witnesses Ramesha who came to the P.O. after the incident, but I do not know as to whether Ramesha saw the occurrence or not. It is not a fact that I did not state before the police that I saw Sekandar who fled away from the spot towards the field taking a dao in his hand after giving a dao blow on Abdul Haque. The informant is not related to me. It is not a fact that I did not see the occurrence.

FORM FOR RECORDING DEPOSITION

THE DEPOSITION OF P.W. 8

Aged about 65 years taken in oath or solemn affirmation under provision of the Indian Oaths Act X of 1978, before me Smti. N. Rajkumari, Sessions Judge, Barpeta this 22nd day of January, 2015.

My name is Sri Subodh Chandra Haloi. My father's name is Late Nareswar Haloi, I am by caste..... My house is at Mouza..... Police Station..... District..... I reside at present in Mouza - Pipolibarigaon, P.S. Belsor, District-Nalbari, where I am Retd. Police Officer.

On Oath,

On 14-08-08, I was working as ASI at Sarthebari Police Station. Around 11 a.m. on that day a person, Ainal Haque by name and a resident of No.2 Kawoimari, lodged an ejahar by appearing at this Police station. The O/C of the P.S. registered a case with Sarthebari Police Station Case No.124/08 u/s 302/34 IPC and handed over the charge of investigation on me. Taking the charge of investigation I started off to the place of the occurrence. Arriving at the P.O., I found the dead body of the deceased in the courtyard of the accused and held the inquest on it right in presence of the witnesses. I prepared the sketch map of the place of the occurrence. For PM examination, the dead body is sent to the Barpeta Civil Hospital. Accused Arikul Ali and Kulchan Begum were found there and brought to the P.S for interrogation. Then they were arrested and sent to the hon'ble court. Sikandar Ali was absconding. Later, he was found and arrested. I collected the PM report. I submitted the charge sheet against the accused u/s 302/34 IPC Ext 6 is the charge sheet and Ext. 6(1) is my signature. From the place of the occurrence, I seized a 5-1/2 feet (Approx) long plastic rope, stained with blood and a 'gamosa, stained with blood. Ext 5 is the seizure list and Ext 5(2) is my signature. Ext 7 is the sketch map and Ext 7(1) is my signature. I got the statement of Rabia Khatun and Abul Kalam recorded u/s 164 CrPC. I also recorded Ramisha Begum's

statement under the said section. The higher authority had already entrusted me with the responsibility of submitting the charge sheet.

X X X X X

The incident of this case took place around 11 a.m. The date of report is 14-08-08 and the time is 1 p.m. The Police Station is about 10-km from the place of the occurrence. One can cross the first five kilometres of the road from the P.O. by bicycle but the next five kilometres road is motorable. I recorded PW Ainal Haque's statement at the place of the occurrence itself. I did not interrogate the scribe of the ejahar of this case Rafiqul Alam Khan. I have not mentioned it in the case diary why I did not record the statement. Before the ejahar was lodged in this connection, nobody had informed the P.S. of the incident verbally. I did not make an enquiry regarding whose land was that where the dead body was lying. Ext 3 is not a photocopy but it is a carbon copy and the signature is also a carbon copy. I have not mentioned the colour of the seized plastic rope and the gamosa. I have not sent the seized articles to the FSL for examination. I have not seen the said seized gamosa and the rope in the court today. The seized gamosa and the rope were lying near the dead body. There is no house near the P.O. to the east, except for Atar Ali's house. There is the paddy field and the School building to the north, south and west. The earth where the dead body was lying was soiled with blood; however, I did not seize the said earth. As an ASI I should receive written permission from the SP along with official memo for investigating into a murder case. Nothing was mentioned in the case diary regarding the said permission. I did not furnish the copy of the permission along with the case diary. No incident had taken place inside the house at the P.O.

While giving statement before me, PW Ainal Haque did not tell me that around 11 a.m. on the day of the occurrence, my father had gone to see my father-in-law's fishery near accused person's house; that the incident had taken place regarding the accused person's blocking the stream of water to the fishery and that the quarrel had taken place over my father's unblocking the stream of water. PW Ainal Haque did not tell before me that Rabia and Kalam had witnessed the incident and then told him about that.

PW Rabia Khatun did not tell before me that Zinnat and Kalam had witnessed the incident. In his statement Zinnat Ali did not tell me that around 11 a.m. on 14-08-08 he had been at his home; that hearing a hue and cry, he had gone out of his house and that when he had gone to accused person's house. Sikander Ali, taking the dao, left towards south,

(27)

P.N.3

however, he told that the accused had fled after cutting him (deceased) with a dao. PW Zinnat Ali did not tell before me that Kulchan Begum had been standing near the dead body. In his statement, Ramesha Begum did not tell before me that accused Sikander had assaulted Abdul Haque's(Illegible) with lathi and then dragged him to their house. PW Abdul Kalam told before me that accused Sikander had hacked (omitted in the original) in the neck and in the head. Later says, Sikandar hacked with a dao, but he did not say that he had been hacked in the neck. PW Abul Kalam did not tell me that Ariful had kept Abdul Haque pressed by his chest and Kulchan had kept his legs pressed down. PW Abdul Kalam told me that the accused had gone in a run but did not tell me that he had run along the field.

PW Abdur Rahman did not tell me that Abdul Kalam had not told him that Sikander had hacked Abdul Kalam with a sharp weapon.

It is not a fact that police had visited the place of the occurrence before I investigated into the case. It is not a fact that I did not go to the place of the occurrence in order to investigate into the matter and that completed the investigation just by sitting at the Police Station.
